NARRATIVE REPORT 2.3.3
Rolling Menu – University Canteen 2021

Batangas State University – The National Engineering University ought to provide its students and faculty an affordable and sustainable food choices inside the campus. The university considered various factors in coming into this conclusion. Students tend to be food insecure which leads to lack of access to nutritious and affordable food.

As a top university, the Batstate-U implemented rolling menu which intends to provide the university and its people the most appropriate menu at the time. It also saves time to have rolling menus and planning it in advance both for the employees and the perceived customers. It provides transparency on the menu and promote healthier choices.

Attached below are the menus posted on the Facebook page of the RGO Pablo Borbon.
