**Pablo Borbon Campus**

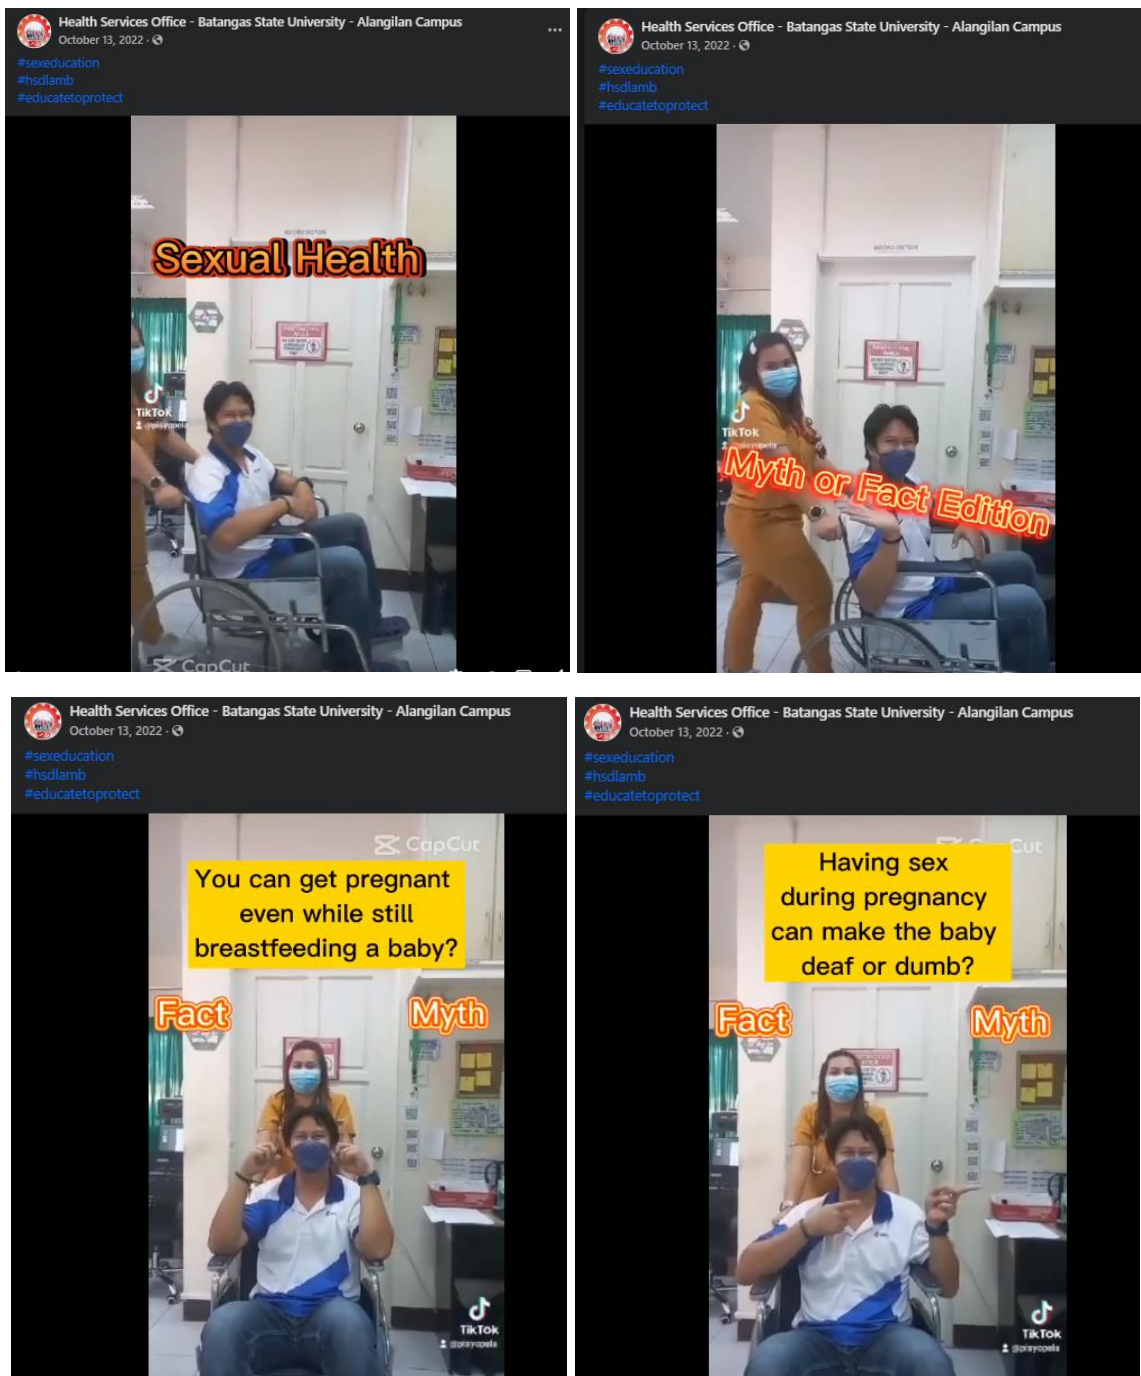

**ACCESS TO SEXUAL AND REPRODUCTIVE HEALTH SERVICES**

**Health Awareness Initiatives of Health Services for Sexual and Reproductive Health**

The Health Services Unit of Batangas State University – TNEU are active in promoting sexual and reproductive health through health education initiatives via face-to-face and online platforms. Debunking myths, and providing additional information about sexual practices and sexually-transmitted diseases are commonly the main focus of their awareness campaigns (*see images below*)

*Informative Video of Myth or Facts Relative to Sexual Health/Activities*

*Posted last October 13, 2022*

*Sample of screenshots from video clips intending to educate students about sexual and reproductive health.*
