### PUBLIC ACCESS TO OPEN AND GREEN SPACES

FY 2022

**Green and open spaces near the STEAM Library Building at Pablo Borbon.**

These spaces are used by students, faculty and guests during school events and activities. Specifically during school celebrations the spaces are being utilized by the local food producers to sell their products and services.

**University Park at Pablo Borbon Campus**

**Student Center in BatStateU San Juan Campus**

### PUBLIC ACCESS TO OPEN AND GREEN SPACES

FY 2022

Green spaces serve as hubs for social interaction, relaxation, and outdoor activities, promoting holistic well-being and a sense of community among the campus internal and external stakeholders.
