

## Students' Application and Admission Rate

Total number of applicants

# 26,093

Male and Female Applicants

Applicants for AY 2021-2022 comprised mostly women, with 61.23 percent or 15,977 of the total number of applicants.

### 94.08%

Data on admissions to the University showed that 94.08 percent of the total applicants (24,549) passed the admission test and qualified for enrolment.

Total number of qualifiers

# 24,549

### 74.41%

Out of the total qualifiers (24,549), 74.41 percent proceeded to enrolment.

The total number of women enrollees also surpassed male enrollees, with 11,290 or 61.80 percent, compared to male enrollment of 6,977 or 38.20 percent.

Total number of enrolled students

# 18,267

Data for this enrollment period revealed that women are most likely to enroll in the University than men. This goes to show that the University does not hinder the application and thereafter enrollment of women. The University provides equal opportunity in terms of access to quality education to both male and female students.
