

BATANGAS STATE UNIVERSITY

The National Engineering University

SDG 1: NO POVERTY

HIGHLIGHTS:

- Batangas State University, The National Engineering University partners with different government and non-government agencies, as well as local and international partner agencies and/or organizations to provide scholarships and financial aids to students.
- The University participates in and initiates anti-poverty programs such as “Barakahang Borbonian” that supports the local start-up businesses in the community; and, “Bayani Challenge” in partnership with Gawad Kalinga, that aimed to alleviate poverty and empower communities.
