

# BATANGAS STATE UNIVERSITY

## The National Engineering University

### THE UNIVERSITY HAS ELECTED REPRESENTATION ON THE UNIVERSITY'S HIGHEST GOVERNING BODY

#### BatStateU elects new leaders for faculty and students

Batangas State University (BatStateU) recently concluded its student and faculty elections, with Dr. Renson Robles (August 2023) and Mr. Noel Christian D. Salas (June 2023) emerging as the newly elected leaders.

Dr. Robles, who will serve as the President of the Faculty Confederation, will represent the interests of the university's 1,920 faculty members. His election secures him a seat on the Board of Regents, the highest governing body of BatStateU.

Meanwhile, Mr. Salas, the newly elected president of the University Student Council, will represent the university's over 58,000 students. His position grants him a seat on the University Governing Board.

Republic Act 11694 mandates the inclusion of faculty and student representatives in university governance. This development is expected to enhance transparency, accountability, and student and faculty participation in decision-making processes within the university.
