1.0 Background

The COA and the DBM issued JC No. 2, s. 2020 to provide the updated rules and regulations on the engagement of contract of service (COS) and job order (JO) workers in the government.

Item 11.1 thereof provided a transitional period which allowed departments/agencies concerned to engage the services of new COS/JO workers through individual contracts and renew the individual contracts of their existing COS/JO workers up to December 31, 2022.

The transition period is vital in order for departments/agencies to reassess their organizational and staffing requirements vis-à-vis their existing manpower complement, as well as give them ample time to comply with the prescribed rules and regulations on the engagement of the services of COS/JO workers.

However, since the issuance of JC No. 2, s. 2020, the COA and DBM have received numerous inquiries regarding its implementation by various agencies. Hence, consultation meetings were conducted on the matter.

As a result of consultations departments/agencies concerned and in order not to impair the delivery of government services, the COA and DBM are amending certain provisions of JC No. 2, s. 2020.

JOINT CIRCULAR NO. 2, s. 2020
October 20, 2020**

TO : ALL HEADS OF CONSTITUTIONAL BODIES, NATIONAL GOVERNMENT AGENCIES (NGAs), GOVERNMENT-OWNED OR CONTROLLED CORPORATIONS (GOCCs) WITH ORIGINAL CHARTERS and STATE UNIVERSITIES AND COLLEGES (SUCs)

SUBJECT : Updated Rules and Regulations Governing Contract of Service (COS) and Job Order (JO) Workers in the Government

1.0 Background

Civil Service Commission (CSC)-Commission on Audit (COA)-DBM JC No. 1, s. 2017 was issued to provide the rules and regulations regarding the engagement of the services of COS and JO workers in the government.

In view of this, CSC-COA-DBM JC No. 1, s. 2018 was issued to further extend the transition period allowing agencies to engage the services of new COS/JO workers and renew the existing contracts of COS/JO workers until December 31, 2020.

REVISED POLICIES AND GUIDELINES ON THE HIRING OF LECTURERS

I. RATIONALE

The further extension of the Enhanced Community Quarantine (ECQ) over the CALABARZON Region due to COVID-19 greatly affects the education landscape not only of the University but of the entire country. While it is anticipated that the ECQ shall be lifted on May 2020, the transition to the “new normal” shall still consider flexible learning and other alternative modes of delivery of education in view of the efforts of government to prevent, control and mitigate the spread of COVID-19 in HEIs.

Although one looks the situation negatively, the present situation becomes an opportunity for the University to explore the advantages of utilizing alternative modes of delivery of education such as the conduct of online classes. The said advantages include (1) attracting highly qualified lecturers who cannot accept teaching engagement with the University due to distance restrictions; (2) assuring the quality of instruction delivery thereby contributing to the attainment of the University’s statutory mandate, mission and vision; (3) complying with the orders of the national government to prevent, control and mitigate the spread of COVID-19 in HEIs and (4) accomplishing the goal of establishing a holistic, quality, and inclusive learning environment in the 21st century per Pillar 2 (Access) of the University’s 10-year Strategic Plan. This will likewise expand the University’s selection options among the qualified candidates with the end view of BatStateU’s internationalization initiatives.

With due consideration of the lessons left by the pandemic and the advantages mentioned above, there is a need to revise existing Policies and Guidelines for Lecturers. This revision is likewise called for in order to cover other delivery modes of distance education.

II. LEGAL BASES

1. CHED Advisory No. 6 dated 13 April 2020 which allows HEIs to continue exercise their judgment in the deployment of available flexible learning and other alternative modes of delivery in lieu of in-campus learning. The advisory further advised HEIs, after the lifting of community quarantine, to adopt measures to safeguard the health and safety of their returning students, faculty and staff.
2. CSC MC No. 07, s. 2020, dated 11 March 2020 providing for Interim Guidelines for Alternative Work Arrangements and Support Mechanisms for Workers in the Government for the Duration of the State of Public Health Emergency Pursuant to Proclamation No. 922. Item 4.0 (a) of the MC mandates agencies to formulate their

internal rules and regulations governing the implementation of the alternative work arrangements

3. CSC Announcements No. 12 and 13 series of 2020 which allow alternative work arrangements during the COVID-19 pandemic. This manifests the encouragement of a flexible working arrangement to answer existing and future special circumstances and emergency situations;
4. CSC Memorandum Circular No. 1, s. 1997 Re: Revised Qualification Standards which merely provides for the minimum and basic requirements of positions but does not preclude agencies from establishing higher standards for their positions without any need of approval by the Commission but subject only to submission for records purposes. While this does not cover COS, since vacant item positions in the government can have higher qualifications, with more reason that non-item positions can have additional qualifications;
5. CSC-COA-DBM Joint Circular No. 1, s. 2017 allows agencies to hire individuals under COS. There is nothing in the Circular which precludes agencies to impose additional qualifications/requirements for the party to where the former enters into a contract.

III. GENERAL POLICY STATEMENTS

1. In compliance with existing accounting and auditing rules and regulations, the University shall still hire lecturers under “Contract of Service”.
2. The University is committed to provide lecturers terms and conditions of services that are equitable and fair.
3. This revised policies and guidelines have been developed to implement fair and reasonable procedures relating to hiring the services of lecturers. It is designed to ensure that the University fulfills its obligations balanced with providing the opportunity to recruit and retain suitably qualified and experienced lecturers.

IV. COVERAGE

These Guidelines shall cover the hiring of lecturers both in the undergraduate and graduate schools, including the College of Law. Further, insofar as may be applicable, these Guidelines shall likewise apply to the engagement of Adjunct Faculty as approved under Board Resolution No. 58, s. 2020, in which case, these guidelines shall be applied in suppletory character to the guidelines governing Adjunct Faculty.

V. DEFINITION OF TERMS
