

BATANGAS STATE UNIVERSITY

The National Engineering University

SUSTAINABLE DEVELOPMENT GOAL NO. 2

ZERO HUNGER

INTERVENTIONS TO PREVENT OR ALLEVIATE HUNGER AMONG STUDENTS

INSIDE THE STATE UNIVERSITY

PHILIPPINE ASSOCIATION OF NUTRITION IN THE COLLEGE OF HEALTH SCIENCES

The Philippine Association of Nutrition of the College of Health Sciences gave away free Mamon de Tabla and Puto to students during the welcoming ceremony for first year students. These soft and light snacks provided the students with a quick source of energy that eased their hunger and fueled their day.

COLLEGE OF HEALTH SCIENCES

During the College Days Celebration of CHS, the BS Nutrition and Dietetics students prepared a variety of foods, ranging from sweet delicacies to savory offerings. Students had the chance to fill their stomachs while participating in activities related to the said festive event.

120 PABLO BORBON Years of Tradition and Innovation

FARM TO MARKET FAIR

In celebration of the 120th founding anniversary of Batangas State University - The National Engineering University, the Farm to Pablo Borbon Market Fair was opened as part of the three-day celebration. In collaboration with numerous micro enterprises encompassed artisans, university staff and local farmers; such as promotion of local produce products in which encouraged healthy living, fostered agricultural items, and improvement of the connection with local agricultural producers.
