### BATSTATEU PLEDGE TO ENVIRONMENTAL SUSTAINABILITY, PLANTING 1.2M TREES

Batangas State University (BatStateU) launched its SPARTAN1M initiative to plant 1.2 million trees, marking its 120th founding anniversary. As of writing, 29,621 trees have been planted across various campuses. The university also hosted a Climate Change Lecture, introducing the University Climate Change Action Plan (UCCAP). The event included a message from Senator Loren Legarda, emphasizing the university's role in climate action. Additionally, BatStateU launched the Best Sustainable Project Awards to recognize and promote sustainable practices. The event aimed to cultivate a culture of sustainability, addressing ecological, social, economic, and cultural dimensions.
