WHEREAS, the Board through Resolution No. 136, s. 2022 approved the University Policy Guidelines for the attainment of Sustainable Development Goals;

WHEREAS, to ensure the attainment of the goals, the University shall be guided by internal policies designed to assure balance between social, economic and environmental sustainability;

WHEREAS, Chapter 2 of the approved policy guidelines focused on sustainable support to communities to realize SDGs 1 (No Poverty), 4 (Quality Education) and 8 (Decent Work and Economic Growth) which provides specific support of the University to students, faculty, employees and organizations and other external agencies, partner agencies, MSMEs and local communities in the form of access to its resources;

WHEREAS, an individual policy is provided in every chapter which prescribes the specific action or step to be undertaken by the University to achieve the SDGs;

WHEREAS, this proposed policy prescribes support of the University to students, faculty, employees and organizations and other external agencies, partner agencies, MSMEs and local communities in the form of access to its resources;

WHEREAS, under this policy, the University shall grant free access to the following facilities and workspaces to BatStateU students, faculty, and internal groups, organizations provided that the use of such facilities is for educational, technology acquisition, training and research purposes, or other analogous purposes and will not in any way be used for personal gain, fundraising and income generating purposes;

WHEREAS, the University shall impose applicable fees if the facilities will be used for income generating or fund-raising projects to ensure sustainable operations and maintenance of the facilities and equipment used, as well as to cover direct or indirect costs;

WHEREAS, the proposal was presented to the Administrative Council of the University, and after thorough discussion and deliberation, it was endorsed for approval of the Board through Resolution No. 1128-01, s. 2022;

WHEREAS, the same proposal was deliberated upon by the Finance Committee and after thorough discussion and deliberation, it was endorsed for approval of the Board through Resolution No. 120, s. 2022;

Maharlika Pilipinas Basketball League (MPBL) Junior Division Event at Batangas State University – July 2023

THE PABLO BORBON GYM AT BATANGAS STATE UNIVERSITY SERVED AS A FACILITY FOR A JUNIOR MPBL.

Last July 10, 2023, the **Maharlika Pilipinas Basketball League (MPBL) Junior Division** held a basketball tournament at Batangas State University's (BatStateU) gymnasium, located at the Pablo Borbon Campus. This event was part of a broader initiative to support local and national athletic development by utilizing the university's state-of-the-art sports facilities.

The tournament featured teams from various regions, showcasing their basketball skills in a competitive yet sportsmanlike environment. As a key mandate of the university, its sports facilities are **open to the general public**, providing access to high-quality venues for various sports activities.

By hosting events such as the MPBL Junior Division tournament, the university fulfills its role in supporting community engagement and collaboration. The university's facilities are designed to serve not just students, but also stakeholders and the wider public, fostering a spirit of inclusivity in sports.

The MPBL event underscored the importance of partnerships between educational institutions and external organizations in promoting sportsmanship and physical fitness. It also demonstrated the capability of BatStateU's sports facilities to accommodate large-scale events, making it a hub for both local and national tournaments. This effort is in line with the university's mission to provide shared sports facilities, where tournaments and activities beyond the university's scope can take place, creating opportunities for broader community participation in sports.

Overall, the event was a success, both in terms of competition and community engagement, reinforcing Batangas State University's role as a key supporter of sports development in the region.
